

Strengthen our team with your passion for business and creativity

Working at XIMEA is not like any regular job. There's much more to it than simply doing the work involved in developing and producing top-of-the-line micro-sized cameras.

Talent, diligence, ambition and passion open one or the other door at XIMEA and will be the way to your job in Münster. Whether parallel to your studies as a working student, as an intern or to create your thesis, we will find the best way for you to work with us.
